RE: Richardson Flat Tailings Site, Park City, Utah

Dear Mr. Murray:

In accordance with your request, I have enclosed a copy of the certified cost summary for the Richardson Flat Tailings Site for costs incurred by the U.S. Environmental Agency (EPA) at the site as of September 30, 2011. This cost summary reflects that as of that date the EPA has incurred costs of \$2,258,068.13 as follows:

Operable Unit 00 (sitewide)	\$ 852,622.16
Operable Unit 01	583,589.61
Operable Unit 02	787,034.96
Silver Maple Claims (now OU3)	34,821.40
Total	\$2,258,068.13

To date, the EPA has recovered \$934,380.48 from potentially responsible parties excluding the funds recovered in the ASARCO bankruptcy settlement. This leaves an outstanding balance of \$1,323,687.65. Please note that we recently created accounting codes for operable unit 3 and 4 when the EPA entered into the settlement agreement with Park City.

Please call me at (303) 312-6904 if you have any questions.

Sincerely,

Andrea Madigan
CERCLA Supervisory Attorney
